10:13am– 10:20am	<b>Parent Question and Discussion 1</b>	<ul style="list-style-type: none"> <li>As a parent of a child with a disability, I am very concerned about DC's post-secondary outcomes data for this group. One year after graduation more than 50% of students with disabilities aren't engaged in post-secondary education or working. We know that when students have paid work experience during high school, they are much more likely to be employed after, and although we have SYEP, it's just not enough. Are you committed to work with the Mayor to invest \$25 million in Out of School Time programs?</li> </ul>	<b>Julie Camerata, DCI Parent; DC Special Education Cooperative, Executive Director (Ward 1)</b>
10:20am– 10:27am	<b>Parent Question and Discussion 2</b>	<ul style="list-style-type: none"> <li>Last week, a 14 y/o boy was shot in my community. He was a student at Friendship Public Charter School. My daughter is also a 14 y/o student, and also a student at Friendship. She understands that her classmate will never graduate from high school. He will never have a family. He will never experience life. For any parent, your greatest fear is having to bury your child, and as parents we are trying everything we can to prevent this from happening to our kids. What is it going to take to end gun violence in DC, particularly for the safety of our youth?</li> </ul>	<b>Anise Walker, Friendship PCS Parent; Restorative Justice Initiative Coordinator, DCPS (Ward 8)</b>

<b>10:27am – 10:30am</b>	<b><i>Closing and Group Photo</i></b>	<ul style="list-style-type: none"><li>• Thank Chairman Mendelson for having us and parents for attending and review next steps</li><li>• Group Photo with the Chairman</li></ul>	<b>Yolanda</b>
