| 12:20pm – 12:27pm | <i>Parent Question and Discussion 1</i>   | <ul style="list-style-type: none"> <li>• I have a 3-year-old daughter whose in-boundary school is a non-bilingual school. It has been a very long and difficult process trying to find the right school for her, and my husband and I have had to attend countless open houses and spend hours researching schools in the area, something I am sure you will relate to as a new parent. We speak Spanish and English at home and I want her to have the opportunity to go to a bilingual school. We know the benefits of bilingual education and see them in Ward 1 and we want this for our daughter. What are you currently doing to preserve and increase access to bilingual schools in our Ward?</li> </ul> | <b>Yael Meirovich, CentroNía Parent</b>                       |
| 12:27pm– 12:34pm  | <i>Parent Question and Discussion 2</i>   | <ul style="list-style-type: none"> <li>• As a parent, it is important to me to develop and indulge in my son’s interests. More specifically, my son has a love of music, and my husband and I are fortunate in that we are able to pay for music lessons. But there are other families in our Ward who don’t have that luxury, and with a 63% decrease in funding for Out of School Time Programs, there are fewer and fewer options that are more and more expensive. My wife and I had to make a difficult decision as to who would work and who would stay home with the kids; we</li> </ul>   | <b>Fabio Molinares, Briya PCS Parent</b>                      |

Fortunately, I am able to bring my kids with me to Briya while I am in class, but we are still concerned about the high costs of daycare in the city. What is your position on universal, free daycare for all District parents, and what is your office doing to make daycare more accessible to Ward 1 families?</p>  |  |

Last year, my niece experienced bullying at her school that took a toll on our entire family. Our children are supposed to feel safe at school, but my niece dreaded going to school because of the bullying she was subjected to. What can be done to make sure our schools in Ward 1 and around the city are safe and secure environments for our children and families?</li> </ul> | <p><b>Miriam Perlacio, Thomson ES Parent</b></p> |
