<p><i>Kelita Boyd, Ward 8 Parent Leader</i></p>	<p>For expansion [of the Workforce Pipeline program], have you considered working with local TRIO programs?</p> <p>TRIO programs are student services programs designed to identify and provide services for individuals from disadvantaged backgrounds. TRIO includes eight programs targeted to serve and assist low-income individuals, first-generation college students, and individuals with disabilities to progress through the academic pipeline from middle school to post baccalaureate programs. When I recruit at local DCPS and DCPCS schools, I build relationships with their representatives because they are a vulnerable group.</p>	<p>N</p>
